

Rooftop Lounge 3-Days

Stunning panoramic views of Circuit de Barcelona-Catalunya, premium hospitality services, and plenty of entertainment and activities to enjoy throughout the Grand Prix™ weekend — this is the complete VIP experience.

Rooftop Lounge Hospitality

FRIDAY - SATURDAY

Find an unparalleled race weekend experience in the Rooftop Lounge, designed to immerse you in the passion of Formula 1®. From the breath-taking panoramic views of the circuit to the premium hospitality services, the Rooftop Lounge blends a sophisticated atmosphere with racing action to create a truly unique and exclusive setting. Throughout the weekend, you will enjoy:

- All-day, all-inclusive Michelin-starred gastronomic hospitality served in collaboration with chefs from Disfrutar Restaurant, named Best Restaurant in the World in 2024.
- Premium cocktails to unlock the complete culinary experience.

Rooftop Lounge Viewing

FRIDAY - SUNDAY

Offering panoramic views of some of the circuit's most crucial sections, the Rooftop Lounge is perfectly perched above the back straight for an exceptional race viewing experience. With plenty of viewing locations available throughout the venue to choose from, including private terraces, you pick your perfect experience.

Activations & Entertainment

FRIDAY - SUNDAY

Don't just watch the racing action, listen to a live race broadcast hosted by a former F1® driver to get all the expert insights. Enjoy live entertainment and DJs, high-precision racing simulators, show car displays, and more! Never a dull moment during your weekend in the Rooftop Lounge.

**Programming and Experiences are subject to change. Please note, parking is not included with this package.*
